

The Supreme Physical Fitness Board of the Slovak Catholic Sokol will meet on the weekend of January 20th to January 22nd in Cleveland, Ohio. This annual meeting allows for the board to discuss the past year's numerous accomplishments in our various sports activities. This meeting also affords the opportunity to discuss how future events can be improved. In preparation for this meeting we ask that any Group, Assembly, Wreath or member who has any thoughts as to how we can go about this task should forward in writing their ideas for changes or improvements to the home office prior to January 20, 2017. All correspondence should be addressed to our Supreme Secretary Scott T. Pogorelec at the home office. We look forward to hearing your thoughts as to what went well this past year along with ideas as to how to improve or increase the involvement at our tournaments. Thanks for being a part of the greatest Slovak Catholic Athletic Fraternal in the United States and Canada.
