

Slovak Catholic Sokol College Scholarship- Tips for Success

I just wanted to take a moment to highlight the recent changes made to the Slovak Catholic College Scholarship Program. We will continue to use a completely on-line process as we have had few issues with the process over the past several seasons. With the help of our technical webmaster, we have redesigned the application process and you should find it to be much more user friendly. You will find the on-line application on our website at www.slovakcatholicokol.org beginning November 1, 2019.

To be best prepared for this process a successful applicant should:

- Review the application on-line for required content and gather prior to beginning to complete the form
- Be prepared to attach both your essay (in PDF or Word format) and a color head and shoulders picture of yourself (in .jpeg format).

Please note, you may want to print a copy for your records prior to submitting. All applicants will receive automatic confirmation that their e-mail has been received.

It really isn't that difficult to qualify for one of our many college scholarships. With now four years of the new College Scholarship Application process behind us, it is clear that there are a few ways to assure that your application will be reviewed.

1. Answer all questions on the application.

For example- if something does not apply to you- say N/A. If you are fully independent from your parents- as in, you are not claimed by them on their tax return, you should indicate that in the space asking for total parent income. Leaving this blank does not tell the whole story.

2. Include all requirements for the application- i.e. photo; transcript; essay

Start the process for requesting your transcript NOW. I have found that sometimes this is the hold up for some applicants.

- **Transcripts-** please note that "official transcript" means that you have requested it from your University or College and that it has been sent directly to me in a sealed envelope. We have not been as strict in the past on this issue, but began holding each applicant to this requirement last season and will continue to do so moving forward.

3. Submit all required elements prior to the deadline.

The application is clear and I just want to prevent a waste of your time and energy.

Failure to include/complete any of the above items will result in the application being disqualified. To be honest, it is not easy for our committee when we need to disqualify applicants for simple yet important missing requirements.

Lastly, apply for all college scholarships for which you qualify in order to give yourself the best chance at receiving something. There were several applicants who limited themselves to a particular scholarship. Competition was fierce for the larger \$ scholarships, but there seems to be more opportunity with the other scholarship offerings.

Not every applicant receives a scholarship every time they apply. If you have not received one in the past, I encourage you to apply again this year. Before submitting your application- take some time to review the bullet points above in order to assure that your application will be included for consideration.

Good luck and Zdar Boh!
