Weekly and monthly poker tournaments also are offered in the poker room. • The casino features the newest in gaming technology with Synergy Table Games which combines electronic table games, live dealer games, and interconnected play in a social and high-energy environment.

East 4th Entertainment District

East 4th offers world-class dining and entertainment in the heart of Downtown Cleveland. Much like a great art museum, East 4th is a carefully curated dining and entertainment experience. Each of the great chefs and entertainment leaders that make up the street were hand-selected to be a part of our great urban experiment. The result has been an experience unlike any other.

Indulge culinary treats from chefs like Michael Symon, Jonathon Sawyer, and Zack Bruell. Enjoy a game with hundreds of other fans supporting the land. Taste some of the best craft brews and drinks the city has to offer. Get your game on with bowling and arcade games. With valet parking and a street made for pedestrian traffic, you can enjoy your favorite venue or make your way up and down the street to enjoy them all.

FOR ADDITIONAL INFORMATION on things to do in the Cleveland area, you may visit www.thisiscleveland.com which will give event calendars, restaurant guides, maps and a host of other entertainment options. Downtown Cleveland is a very walkable city and can be broken into a few different entertainment areas: The Flats, The Warehouse district, The Theater District, East 4th and West 25th District. All of these areas have unique restaurants and attractions to be explored. From the hotel, an Uber / taxi will take around 12 minutes into downtown and should be less than \$16 each way. There is also the RAPID train that has a terminal station to downtown across the street from the hotel (about an 8-10-minute walk). We will have additional information at the registration table when you arrive for the Convention.

NOTE: Please respond to me individually, not as a group. This will make organizing easier and more efficient, especially for people riding the bus to the events.
